

**Arizona Film & Media Coalition, Inc.**

**Your Grassroots Organization, the Arizona Film and Media Coalition, needs your help to *SAVE* film in Arizona by raising money to support our Lobbying efforts.**

The Arizona Film and Media Coalition was established to organize industry professionals and enhance the economic vitality of the Arizona film and media communities through education, legislation and public relations. In 2004, the AFMC partnered with the Arizona Legislature in creating the Motion Picture Tax Incentive Program. Unfortunately, that tax incentive program sunset in 2010. Since then, the AFMC has been working with other industry stakeholders to get new legislation through the Senate and House of Representatives.

We are asking that you become a *Friend of AFMC* by joining the General Membership and help bring Arizona back to the forefront of film and television productions. So there will be opportunities created for YOU to work in your chosen profession in the film industry. Without the ability to offer production incentives, Arizona continues to miss out on opportunities that would benefit everyone in our industry and state. We did it before and we can do it again – Donate what you can, no donation is too small.

**Yes, I want to become a General Member of Arizona Film and Media Coalition**
